		Non SBT	SBT
<b>(A)</b>	Tankers of more than 1,000 gt	\$0.068 per gt per voyage	\$0.0566 per gt per voyage

## 6. US terrorism risks

The board has resolved that cover for acts of terrorism as defined in the *US Terrorism Risk Insurance Program Reauthorization Act 2007* will be made available on the same terms with the same limit as currently apply. The Act applies to very few ships entered in the club but, for those that are eligible, a premium of US cents 0.25 per gt will be deemed attributable to these risks and will be included within the overall premium. Under the terms of the Act, the US government pays a proportion of covered terrorism losses exceeding the statutory established deductible paid by the insurance company providing the cover.

The Act, as amended, also imposes a program trigger on the government's compensation, i.e. insurers cannot have the benefit of the government's compensation, unless the aggregate industry insured losses from a certified act of terrorism exceed a certain insured loss or 'trigger' amount (currently \$100m). In addition, if the aggregate insured losses exceed \$100bn during any program year, the government shall not make any payment for any portion of the amount of such losses that exceeds \$100bn and no insurer that has met its insurer deductible shall be liable for the payment of any portion of that amount that exceeds \$100bn.

## 7. Blue cards

The club will provide blue cards in respect of the CLC and Bunkers Convention for ships entered in the club for the forthcoming policy year. Blue cards will also be issued prior to agreement of renewal terms provided the member gives a written undertaking to the club to renew with the club or another International Group P&I club.

## 8. Calls and releases

The board reviewed the club's financial position at its meeting on 25 January 2011. No supplementary calls are expected to be necessary for any open policy year, and the P&I class release call margins were confirmed unchanged at 5% for the 2008/09 policy year, 10% for the 2009/10 policy year and 15% for the 2010/11 policy year.

## 9. Outstanding premiums

Owners and members are reminded that all renewals are subject to there being no outstanding sums owing to the club at 20 February 2011. In the event that any sums are outstanding, cover will be suspended from 20 February 2011 without further notice, until such sums are paid.

Yours faithfully
