

## Coast Guard Sector Houston-Galveston Marine Safety Information Bulletin 08-21

Date: 02/18/21  
Time: 1317

### Post Winter Storm Uri

With the passing of severe weather associated with Winter Storm Uri, Captain of the Port (COTP) Houston-Galveston strongly encourages all port partners and waterfront facilities to take prudent measures to ensure safe resumption of operations after power and/or water loss and heavy ice formation.

All facilities are encouraged to conduct an assessment of infrastructure that may have been compromised. These items may include:

- Dock and facility pumps, piping, and hoses.
- Firefighting systems, fire monitoring systems and firefighting equipment.
- Perimeter and security equipment.
- Key facility utilities including power, nitrogen, vapor control, air, and water.
- Other equipment and procedures in accordance with its Facility Operations Manual.

Facilities should report operating restrictions or any questions to Sector Houston-Galveston Command Duty Officer at (281)464-4851.
